Our Mission • Inspiring a deeper connection to art, nature and history

ART RANCH is a haven for the arts. The Sculpture Park is located on the historic Triangle L Ranch in Oracle, AZ and is open to the public dawn-to-dusk daily by donation. Visitors meander the Magic Path's 10+ acres of manicured nature trails featuring native flora, over 200 site-specific contemporary art installations, Pollinator Project, and vistas of our high desert landscape. Fun with family, friends, or for an introspective stroll. Events such as GLOW!, Illuminated Evenings and Sculpture Soiree happen in the Sculpture Park. Adobe Barn Gallery features rotating exhibitions of noted and up-n-coming contemporary artists. Our Gift Shop specializes in smaller artworks and handmade crafts. ART RANCH is a culture seekers dream.

'GLOW! a nighttime art experience' is an annual festival held a few nights a year. Guests dress in GLOWing costumes and enjoy illuminated Sculpture along the Magic Path with live music, performance art and multi-media projections. It's a celebration of creativity and community!
